

Math 6 Plus Information and Expectations

Math 6 Plus is a 10 week course that is an extension of the 6th grade CMP3 curriculum. This class runs from November 6, 2017 through January 26, 2018.

Classroom Expectations (the 5P's)

- Be prompt (3 tardies = detention)
- Be prepared
- Be productive
- Be polite
- Be patient

Grading Scale

Homework 30%

Quizzes 30%

Tests and Projects 40%

Homework

- Expect daily homework assignments (about 20 minutes) in addition to your core math class
- To receive full credit (2 points) homework must be properly formatted and all work must be shown
- Stay on top of your assignments and class announcements by utilizing:
 - Your planner - it is the student's responsibility to fill this out daily
 - The 6th Grade Blog
 - Remind - text messages about tests, quizzes and homework
 - Family Access - check regularly to stay on top of current grades and missing work

Remind

- Parents and students can sign up for remind! You can sign up to receive notifications by text messaging, email or push notifications.

Pick a way to receive messages for Math 6 Plus:

A If you have a smartphone, get push notifications.

On your iPhone or Android phone, open your web browser and go to the following link:

rmd.at/73h3e4

Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app.

B If you don't have a smartphone, get text notifications.

Text the message @73h3e4 to the number 81010.

If you're having trouble with 81010, try texting @73h3e4 to (508) 859-4216.

* Standard text message rates apply.

Don't have a mobile phone? Go to rmd.at/73h3e4 on a desktop computer to sign up for email notifications.

Missing and Absent Work

- Late assignments will be accepted for half credit any time before the unit test - this must be turned in outside of class time (before/after school or during lunch)
- For each day a student is absent, he/she will have two days to make-up the missing work.
- It is the student's responsibility to gather all of the missed material. The 6th Grade Blog is an excellent resource to stay up-to-date during an absence.

Assessments

- "Check Ups" or quizzes will be given throughout the unit to check for understanding
- Each unit includes a unit test and project
